

Heritage Service Group of Canada Announces

Acquisition of Atlantic Restaurant Equipment & Supply Inc.

Walker's Gas & Electric and Atlantic Restaurant Equipment and Supply Inc. will now be providing service as Atlantic Walker's Equipment Services

Burnaby, BC— August 18, 2021 —, Heritage Service Group Canada has acquired Atlantic Restaurant Equipment & Supply Inc., based out of Moncton, New Brunswick.

"We are thrilled to have the team at Atlantic Restaurant join the Heritage Family. This is the first step in our continued growth in the Atlantic provinces and our expansion as the industry-leading service organization for the Canadian market," said Doug Scott, Senior Vice President at Heritage Service Group of Canada.

Atlantic Restaurant is a "best-in-class" operation that has been locally family-owned and operated for over twenty years, led by father and son team Claude and Fred Paquet. Fred will be continuing to work with Atlantic Walker's taking on a business development role, along with the technical expertise of Marc-André Côté and Pascal LeBlanc and the operations support provided by Janice Cook. Lawson Phinney, who has been working in Halifax with Walker's technicians, has also joined the Atlantic team in Moncton. Mike Hewitt will be overseeing Service Operations Atlantic Walker's Equipment Service.

"Excitement is mirrored on both sides of this acquisition," said Mike Hewitt, Branch Manager, "with this merger, we can offer more services, resources, and job opportunities in Atlantic Canada."

With this new acquisition, the Atlantic Canada branches of Heritage Service Canada will provide better coverage and an expanded cold side division along with the existing hot side service. To learn more about the benefits, coverage, and job opportunities, please visit atlanticwalkers.com.
